MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: 23 August 1965 DCI Briefing

1. The attached briefing has been prepared for your presentation at a joint session of the Special Subcommittee on Nuclear Safeguards of the Senate Armed Services Committee and the Subcommittee on Military Applications of the Joint Committee on Atomic Energy. This briefing which is scheduled for ten o'clock on the morning of 23 August 1965 has been prepared on an all-source basis on the assumption that the security ground rules followed in the past in DCI briefings to the JCAE will apply.

2. The vu-graphs to be used with the briefing are available for review at your convenience.
